Eucharistic Prayer for Pentecost

Alternative to the Eucharistic Prayer: B.C.O. 1979 pp22 - 23

The Lord be with you

Truly at all times and in all places we should give thanks to thee, O Holy Lord, Father Almighty, everlasting God. In the beginning by thy Spirit thou hast created earth and sky and sea: thou hast prepared the course of the stars and light, and the attributes of every living thing. Through the breath of thy Spirit all things come to life.

By the inspiration of thy Spirit thou hast enabled prophets and faithful men to bear witness to thy truth.

By thy Spirit thou didst cause Jesus thy Son to be conceived in a virgin's womb. By thy Spirit thou didst enlighten him and lead him in all his paths through suffering and death to resurrection and exaltation to thy right hand.

That same Spirit thou hast sent upon the Church.

Blessed be the Spirit, the giver of life, arming thy people with the strength of Christ and conjoining them to his victory, enabling them to proclaim the gospel among all nations and to fulfil with Christ their royal priesthood until he comes again.

Thee mighty God, heavenly King
